

Mohammad Aria Amini

Geology Graduate

Tehran, Iran · mo.aria.am@gmail.com · [LinkedIn](#) · [amini-aria.github.io](#)

ABOUT

Geologist and researcher working across structural geology, geological mapping, and computational geoscience, and, in parallel, the founder of a software company building tools for the earth-science community.

INTERESTS

Engineering geology, structural geology, geological mapping, GIS and remote sensing, computational geoscience, scientific publishing, high-performance computing, geoheritage, and the history of earth sciences.

EDUCATION

B.Sc. in Geology <i>Golestan University, Faculty of Earth Sciences, Gorgan, Iran</i> - Graduated first in the undergraduate cohort - Completed the program in seven semesters, one semester ahead of the standard curriculum	2022 - 2026
High School Diploma, Experimental Sciences (Biology) <i>Shahid Beheshti High School (NODET), Ahvaz, Iran</i>	2014 - 2020

PROFESSIONAL EXPERIENCE

Chief Executive Officer (CEO) <i>Varjavand Intelligent Creative Software Co.</i>	Jul 2025 - Present
Director <i>Aryan Zamin Publishing House</i>	Apr 2026 - Present
Research Collaborator <i>Shahid Beheshti University, Tehran, Iran</i>	Feb 2025 - Present
Technical Manager, SARMAD High-Performance Computing (HPC) System <i>Shahid Beheshti University, Tehran, Iran</i>	Feb 2025 - Present
Geologist <i>Pars Aryan Zamin Geological Research Institute</i>	Feb 2023 - Present
Research & Development (R&D) Manager <i>JAMSA, Knowledge-Based Company for Gemology Science and Art Development</i>	Sep 2024 - Apr 2025

BOOKS

Co-author <i>Ghorbani, M., & Amini, M. A. The Historiography of Earth Science in Iran: Contemporary Pioneering Geologists and Their Legacy.</i>	2025
---	------

BOOK EDITORIAL EXPERIENCE

Scientific Editor <i>Fathi, T. Petroleum Contamination Hydrogeology: Geological, Environmental, Legal Aspects, and Models for the Remediation of Contaminated Groundwater.</i>	2026
Editor <i>Momenzadeh, M. The Mythical City of Zabol: The Burnt City.</i>	2025
Editor <i>Salmati, R. A Comprehensive Guide to Geological Mapping at Scales of 1:50,000 and Larger.</i>	2025

SKILLS & SOFTWARE

Programming: Python, JavaScript, PHP, C#, SQL
Web: HTML5, CSS3, Bootstrap, WordPress, Laravel
Geological software: ArcGIS, QGIS, RockWorks, Surfer
Other: Scientific editing, academic publishing, LaTeX, Git, Docker, high-performance computing

LANGUAGES

Persian	Native
English	Professional working proficiency

PROFESSIONAL MEMBERSHIPS

Secretary and Website Administrator <i>Iranian Geological Society</i>	Apr 2023 - Present
Member of the Organizing Committee <i>Five National Geological Congresses of the Iranian Geological Society</i>	

VOLUNTEER ACTIVITIES

Member, Iran Organ Donation Association
